

HERE ARE THINGS YOU NEED TO DO BEFORE INSTALLING CRYPTOPAY.

Anything missing from this checklist will prevent a successful installation.

- 1 An activated merchant account with WorldPay?** If you haven't setup your WorldPay merchant account, contact Worldpay at (888) 750-6457. Account activation may take up to 2 weeks.
- 2 A working wired internet connection at the location where you are installing CryptoPay?**
- 3 We will email your MPM number and password after you establish your World Pay account.**
- 4 Copy the CPY number that is located on the CryptoPay coordinator?**
- 5 Copy the serial number and swiper location.** For example:
58d6561ed06471f7-Bay 1 or 58d6561ed06471f7-Washer 1

After confirming the above items move on to the next section of the CryptoPay Quickstart Guide: **Coordinator Installation**. One way to augment our quickstart guide would be to review our installation videos: <http://www.getcryptopay.com/videos.php>
